Contact Express Request by phone at 1.877.368.3241#2207 or email express@vertisoftpme.com.

The web is essential for all SMEs. Your website is a gateway for current and potential customers, as well as for your future employees. Your information should be up-to-date, clearly representing who you are and what you offer.

In order to best serve our growing customer base, **Vertisoft** has created Express Request to respond quickly to daily Web requests.

WHO IS THIS FOR AND WHY?

Express Request is applicable to any organization with a Web updating need representing a workload of less than 20 hours. Here are the kinds of things that can be done by Express Request:

- ❖ Website modification including design, programming or multimedia integration;
- ❖ Training on how to use your content management system (CMS);
- ❖ Training on website optimization, natural or paid searches and on the effective use of social media;
- ❖ Consulting services about the use of the different Web tools available on the market.

For all requests, Vertisoft will quickly evaluate the costs associated with the work and will communicate them to you for your approval. Please note that any request requiring more than 20 hours of work will be considered as a project and handled by the Project Manager specializing in your business sector.

ADVANTAGES

- ❖ Direct line to a Web specialist to ascertain your needs;
- ❖ Multidisciplinary team dedicated to express requests;
- ❖ Ultra-timely completion of changes;
- ❖ Follow-up and personalized customer service;
- ❖ Adheres to budget, timeframes and quality guaranteed!

PRICING

The Express Request is offered at special pricing. (1) We give you the chance to receive a significant discount off of our hourly rate and to become a preferred customer by subscribing to our banked hours packages. You can receive a discount of up to **20%** off the regular rate by doing so!

(1) Unless otherwise specified in the proposal.
